STATE OF MAINE CUMBERLAND, ss.

SUPERIOR COURT CIVIL ACTION DOCKET NO. AP-06-12 54 REC - CUM 10/12/1006

MICHAEL L. FIORE

Petitioner

v.

ORDER ON 80C APPEAL

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Respondent

DONALD L. GARBRECHT

DEC 0.8 2006

Before the court is Petitioner Michael L. Fiore's ("Petitioner") appeal pursuant to M.R. Civ. P. 80C of the Department of Health and Human Services ("Department") Hearing Officer Tamra Longanecker, Esq.'s ("Hearing Officer") decision that the Department did not meet its burden of proof on the amount of child support arrears owed by Petitioner without conclusively deciding the amount of arrears owed, and the Chief Administrative Hearing Officer's decision to dismiss the case as moot once the Department withdrew its notice of debt.

BACKGROUND

On December 28, 1994 the California Superior Court issued a divorce judgment under which Ms. Fiore was awarded custody of their two minor children, Heather Fiore (born November 25, 1988) and Joseph Fiore (born November 5, 1990) and Petitioner was ordered to pay \$600 per month child support as well as one-half of all medical and dental expenses for the children not covered by insurance in addition to one-half of all child care and day care expenses. On October 28, 1997 the California Superior Court issued an order determining that Petitioner owed Ms. Fiore unpaid child support arrears through September 30, 1997, including interest, in the amount of \$28,726.00.

In 2000 Petitioner moved to Maine. Ms. Fiore still resides in California. In February 2005, the California Department of Child Support Services ("DCSS") transmitted a request to the Department for registration and enforcement of the California child support order pursuant to the Uniform Interstate Family Support Act (UIFSA). This transmittal stated that, as of February 9, 2005 Petitioner owed child support arrears totaling \$80,670.84. In a letter dated March 8, 2005, the Department served a notice of debt on Petitioner notifying him that, as of March 8, 2005, he owed \$81,197.72 in child support arrears. This letter also notified Petitioner of his right to dispute the notice of debt. Specifically, it stated that if he wanted an administrative hearing to dispute the arrears amount, he needed to fill out a hearing request form and return it to the Department within 30 days. Part 7.e of the notice of debt stated that if the Department did not receive a hearing request form from Petitioner within 30 days, he would lose his right to a hearing. Petitioner claims he called the support enforcement officer assigned to this case shortly after receipt of his notice of debt to request a hearing. There is no dispute, however, that Petitioner did not fill out and return a hearing request form within 30 days of receipt of the notice of debt. Nevertheless, over the Department's objections, the Office of Administrative Hearings granted Petitioner's request for a hearing on the notice of debt.

The hearing commenced on August 17, 2005 and reconvened on September 8, 2005 without Ms. Fiore present. There is no dispute that Ms. Fiore was not notified of the administrative proceedings, received no copy of the notice of debt, the hearing notice, or any other documents related to the administrative proceedings until after the first day of the hearing. At no point

¹ 19-A M.R.S.A. §§ 3151 – 3254.

prior to the Hearing Officer's decision was Ms. Fiore notified that child support arrears was an issue or that she had a right to appear.

At the hearing, the Department introduced evidence of the California court's determination of arrears and the method by which DCSS determined the current level of arrears owed by Petitioner. Petitioner presented evidence showing that he had received notices from DCSS stating that as of April 1, 2002 he owed \$44,826.54 in arrears, as of September 11, 2002 \$63,587.00, as of September 8, 2004 \$67,081.00 and as of January 21, 2005 he owed \$69,168.80. He claimed that these numbers were inconsistent with each other and with the amount stated in the Department's notice of debt and therefore all these determinations of arrears were unreliable.

On October 17, 2005 the Hearing Officer issued a final agency decision finding the Department failed to meet its burden of proof on the accuracy of the arrears total. The decision was without prejudice to the Department's ability to issue subsequent notices of debt and did not determine the correct arrearages.

Following the Hearing Officer's decision, Petitioner wrote to the Office of Administrative Hearings on November 3, 2005 requesting reversal of the decision. Specifically, Petitioner asked that the decision be amended to determine the arrears owed by Petitioner and to make clear that this decision was with prejudice. On November 14, 2004, the Chief Administrative Hearing Officer wrote a letter to both parties, presenting three options. Those options were, affirming the decision, reversing the decision and reopening the record to allow the Department and Ms. Fiore to present additional evidence on the issue of the apparent discrepancies in arrears, or vacating the decision and starting the administrative proceeding process from scratch. After considering the positions

of Petitioner and the Department, the Chief Administrative Hearing Officer

decided, over the objection of Petitioner, to reopen the record for the purpose of

allowing Ms. Fiore to present evidence. Before this could be done, however, the

Department, at the behest of DCCS, withdrew its notice of debt because a court

action to determine the amount of arrears had been filed in California Superior

Court. The Chief Administrative Hearing Officer subsequently dismissed the

administrative proceedings as moot. Petitioner timely filed an appeal of the

Hearing Officer's decision pursuant to M.R. Civ. P. 80C.

DISCUSSION

At oral argument, the parties notified that Court that, subsequent to the

filing of briefs, a settlement was reached in connection with the pending

California Superior Court case in which the amount of arrears owed by Petitioner

was established. The parties agreed to the following stipulation:

Parties stipulate that the order of the San Bernardino Superior Court on July 20, 2006 reflects the agreement of the parties and the final order of that court on the amount of child support arrears

owed by Michael Fiore to Carol Fiore. That order is subject to subsequent amendment by the California courts.

A copy of the San Bernardino Superior Court's order is attached to this order.

The California court's order renders Petitioner's appeal moot.

Therefore the entry is:

Plaintiff's 80C appeal is DISMISSED WITH PREJUDICE.

Dated: October \mathcal{V} , 2006.

CONSEQUENCES OF WAIVING PAST SUPPORT

- 8. The parties understand that once the party waiving past support gives up his or her right to past-due support, he or she can never request payment of the amount given up or ask the local child support agency or court to reinstate the amount given up. UNLESS he or she has specifically retained the right to do so as part of item 16
- 9. The parties understand that the party waiving past support cannot give up the right to collect Aid arrears (past-due child support that belongs to the county in exchange for receipt of public assistance benefits), nor can he or she give up the right to future child support. The parties understand that this stipulation does not affect the current child support order. If there is a current child support order, that order still remains in full force and effect.
- 10. The parties have had sufficient time to read and think about this stipulation and to discuss it with any and all advisors, counselors, and/or attorneys of their choosing.
- 11. The party waiving past support has not been promised anything by the party ordered to pay support, the local child support agency, the court, or anyone else, to induce him or her to give up amounts owed to him or her, except as specifically set forth in writing in this stipulation.
- 12. The party waiving past support has not been threatened in any way (physically, emotionally, or otherwise) by the party ordered to pay support, the local child support agency, the court, or anyone else, to force him or her to give up support amounts.
- 13. The party waiving past support has thought about and decided that it is in his or her best interest and the best interest of his or her children to give up this support arrearage.
