SUPERIOR COURT
CRIMINAL ACTION
Docket No. CR-10-148
REM - KEN - 1/24/2011

v.

**ORDER DENYING
MOTION TO QUASH**

HEYWOOD L. HINDS,

Defendant

Defendant filed a motion in limine dated October 25, 2010, seeking authority to issue a subpoena requiring Sheepscot Valley Health Center to provide certain records for the court's *in camera* review. Subsequent to the filing of the motion, the defendant issued a subpoena for the production of such documents, which were served upon the Sheepscot Valley Health Center on November 18, 2010. The subpoena required the Sheepscot Valley Health Center to produce records relating to Lorie Hinds for *in camera* inspection by the court by delivering such documents to the court on or before November 30, 2010, at 1:00 p.m.

On December 2, 2010, HealthReach Community Health Centers (HRCHC), which operates Sheepscot Valley Health Center, filed a motion to quash the subpoena referred to above. The court denies the HRCHC motion to quash.

Preliminarily, the court determines that the records for documentation described in the defendant's motion in limine may have direct relevance to the pending charges against the defendant in this matter. That preliminary conclusion will be confirmed or revised after an *in camera* inspection by the court. Accordingly, the HRCHC is hereby ordered to honor the previously issued subpoena by producing the requested documents to the court for its *in camera* inspection within twenty days of the date of this

order. Once the court has concluded its *in camera* review of the documents, it will determine what, if any, further dissemination of the records is appropriate, and what restrictions and limitations will apply to any such further dissemination.

v.

HEYWOOD L. HINDS,

Defendant

**ORDER GRANTING MOTION TO
PROVIDE INVESTIGATIVE
INFORMATION**

Defendant filed his motion dated November 17, 2010, to require the District Attorney to provide investigative information. Defendant specifically seeks investigative information in the possession of various criminal justice agencies relating to incidents involving the named victim in this matter, Lorie Hinds.

The investigative information in the possession of the District Attorney relating to incidents involving Ms. Hinds would generally be confidential under 16 M.R.S.A. § 614. Defendant's motion and argument to the court contends that there may be information within the confidential records in the possession of the District Attorney that relate directly to the defendant's theory of his defense in the pending matter. Specifically, defendant contends Ms. Hinds had a habit of making complaints and allegations to criminal justice agencies accusing the defendant. Without addressing, at this time, the actual relevance or admissibility of any such information which might be obtained by the defendant on this subject, the court concludes that the specific request of information in the possession of the District Attorney specifically relating to allegations made by Ms. Hinds against the defendant to either the Maine State Police, Kennebec Sheriff Department, or Winthrop Police Department during the twenty-four month period prior to the alleged incident on February 24, 2010, would be information

that would not unreasonably impact any of the factors set forth in 16 M.R.S.A. § 614(1)(A-K). Therefore, in accordance with 16 M.R.S.A. § 614(3)(C)(2), the court hereby orders the District Attorney to provide the defendant's attorney with a copy of any such investigative information within thirty days of the date of this order. Defendant or his attorney shall be precluded from any further dissemination of such investigative information beyond its actual use in the pending matter.

STATE OF MAINE

SUPERIOR COURT
CRIMINAL ACTION
Docket No. CR-10-148

MEMORANDUM

STATE OF MAINE

v.

ORDER

HEYWOOD L. HINDS,

Defendant

Defendant had previously filed a motion in limine with the court relating to the production of documents by Ronald Bourget, attorney for Lorie Hinds, and a separate subpoena issued to Health Reach Community Health Centers, d/b/a Sheepscot Valley Health Center, for the production of documents from that entity. The court initially ordered those third-parties to produce documents for the court's *in camera* review. After some initial objection by the third-parties, the third-parties did produce such information and the court has completed its *in camera* review of the documents produced by both of those third-parties.

The court hereby authorizes counsel for the State and counsel for the defendant in this matter to review all of the documents provided by Attorney Ronald Bourget in response to the document request, and the documents the court has tabbed, which were provided by Health Reach Community Health Centers. At the request of either counsel for the State or counsel for defendant, the clerk will make available to each a copy of the material which the court has authorized each party to review. No additional copies of any such documents will be made by either party, and the review of any such documents shall be limited to the parties themselves, or any witness called upon to

testify as to any such document. At the conclusion of these proceedings, the copy of the documents provided to each counsel shall be returned to the clerk.
